

THE HAWTHORNE LEGACY

Jennifer Lynn Barnes

The Inheritance Games ended with a bombshell, and now heiress Avery Grambs has to pick up the pieces and find the man who might hold the answers to all of her questions - including why Tobias Hawthorne left his entire fortune to Avery, a virtual stranger, rather than to his own daughters or grandsons.

As the mystery grows and the plot thickens, Grayson and Jameson, the enigmatic and magnetic Hawthorne grandsons, continue to pull Avery in different directions. And there are threats lurking around every corner, as adversaries emerge who will stop at nothing to see Avery out of the picture - by any means necessary.

KLARA AND THE SUN

Kazuo Ishiguro

This is the story of Klara, an Artificial Friend with outstanding observational qualities, who, from her place in the store, watches carefully the behaviour of those who come in to browse, and of those who pass in the street outside. She remains hopeful a customer will soon choose her, but when the possibility emerges that her circumstances may change forever, Klara is warned not to invest too much in the promises of humans.

A thrilling feat of world-building, a novel of exquisite tenderness and impeccable restraint, Klara and the Sun is a magnificent achievement, and an international literary event.

THE SPANISH LOVE DECEPTION

Elena Armas

Catalina Martín desperately needs a date to her sister's wedding. Especially since her little white lie about her American boyfriend has spiralled out of control. Now everyone she knows—including her ex and his fiancée—will be there and eager to meet him.

She only has four weeks to find someone willing to cross the Atlantic and aid in her deception. New York to Spain is no short flight and her raucous family won't be easy to fool.

Enter Aaron Blackford—her tall, handsome, condescending colleague—who surprisingly offers to step in. She'd rather refuse; never has there been a more aggravating, blood-boiling, and insufferable man. But Catalina is desperate, and as the wedding draws nearer, Aaron looks like her best option. And she begins to realize he might not be as terrible in the real world as he is at the office.

PROJECT HAIL MARY

Andy Weir

Ryland Grace is the sole survivor on a desperate, last-chance mission—and if he fails, humanity and the Earth itself will perish. Except that right now, he doesn't know that. He can't even remember his own name, let alone the nature of his assignment or how to complete it. All he knows is that he's been asleep for a very, very long time. And he's just been awakened to find himself millions of miles from home, with nothing but two corpses for company.
