

ACT YOUR AGE, EVE BROWN

Talia Hibbert

Eve Brown is a certified hot mess. No matter how hard she strives to do right, her life always goes horribly wrong - so she's given up trying. But when her personal brand of chaos ruins a wedding, her parents draw the line. It's time for Eve to grow up and prove herself - even though she's not entirely sure how...

Jacob Wayne is always in control. The uptight B&B owner expects nothing less than perfection from his employees, so when a purple-haired tornado of a woman applies for his open chef position, he tells her the brutal truth: not a chance in hell. Then she hits him with her car - supposedly by accident.

Now his arm is broken, his B&B is understaffed, and the dangerously unpredictable Eve is fluttering around, trying to help. Before long, she's infiltrated his work, his kitchen - and his spare bedroom. Sunny, chaotic Eve is his natural-born nemesis, but the longer these two enemies spend in close quarters, the more their animosity turns into something else entirely...

YOU HAVE A MATCH

Emma Lord

When Abby signs up for a DNA service, it's mainly to give her friend and secret love interest, Leo, a nudge. After all, she knows who she is already: Avid photographer. Injury-prone tree climber. Best friend to Leo and Connie ... although ever since the B.E.I. (Big Embarrassing Incident) with Leo, things have been awkward on that front. But she didn't know she's a younger sister. When the DNA service reveals Abby has a secret sister, shimmery-haired Instagram star Savannah Tully, it's hard to believe they're from the same planet, never mind the same parents—especially considering Savannah, queen of green smoothies, is only a year and a half older than Abby herself.

The logical course of action? Meet up at summer camp (obviously) and figure out why Abby's parents gave Savvy up for adoption. But there are complications: Savvy is a rigid rule-follower and total narc. Leo is the camp's co-chef, putting Abby's growing feelings for him on blast. And her parents have a secret that threatens to unravel everything.

But part of life is showing up, leaning in, and learning to fit all your awkward pieces together. Because sometimes, the hardest things can also be the best ones.

CLOUD CUCKOO LAND

Anthony Doerr

Thirteen-year-old Anna, an orphan, lives inside the formidable walls of Constantinople in a house of women who make their living embroidering the robes of priests. Restless, insatiably curious, Anna learns to read, and in this ancient city, famous for its libraries, she finds a book, the story of Aethon, who longs to be turned into a bird so that he can fly to a utopian paradise in the sky. This she reads to her ailing sister as the walls of the only place she has known are bombarded in the great siege of Constantinople. Outside the walls is Omeir, a village boy, miles from home, conscripted with his beloved oxen into the invading army. His path and Anna's will cross. Five hundred years later, in a library in Idaho, octogenarian Zeno, who learned Greek as a prisoner of war, rehearses five children in a play adaptation of Aethon's story, preserved against all odds through centuries. Tucked among the library shelves is a bomb, planted by a troubled, idealistic teenager, Seymour. This is another siege. And in a not-so-distant future, on the interstellar ship Argos, Konstance is alone in a vault, copying on scraps of sacking the story of Aethon, told to her by her father. She has never set foot on our planet.

THE PAPER PALACE

Miranda Cowley Heller

Before anyone else is awake Elle Bishop heads out for a swim in the water pond below 'The Paper Palace' - the decaying summer camp in the back woods of Cape Cod where her family has spent every summer for generations. As she passes the house, Elle glances through the screen porch at the uncleared table from a dinner party the previous evening. Then she dives beneath the surface of the freezing water to the shocking memory of the sudden passionate encounter she had the night before. So begins a story that unfolds over 24 hours and across 50 years, as decades of family legacies, love, lies, secrets, and one unspeakable incident in her childhood lead Elle to the precipice of a life-changing decision. Over the next 24 hours, Elle will have to decide between the life she has made with her much-loved husband, Peter, and the life she imagined would be hers with her childhood love, Jonas, if a tragic event hadn't forever changed the course of their lives.

THE ROSE CODE

Kate Quinn

1940, Bletchley Park, Buckinghamshire. Three very different women are recruited to the mysterious Bletchley Park, where the best minds in Britain train to break German military codes. Vivacious debutante Osla has the dashing Prince Philip of Greece sending her roses – but she burns to prove herself as more than a society girl, working to translate decoded enemy secrets. Self-made Mab masters the legendary codebreaking machines as she conceals old wounds and the poverty of her East-End London upbringing. And shy local girl Beth is the outsider who trains as one of the Park's few female cryptanalysts.

1947, London.

Seven years after they first meet, on the eve of the royal wedding between Princess Elizabeth and Prince Philip, disaster threatens. Osla, Mab and Beth are estranged, their friendship torn apart by secrets and betrayal. Yet now they must race against the clock to crack one final code together, before it's too late, for them and for their country.
