

# OUR MISSING HEARTS

Celeste Ng

Our Missing Hearts is an old story made new, of the ways supposedly civilized communities can turn a blind eye to the most searing injustice. It's a story about the power - and limitations - of art to create change in the world, the lessons and legacies we pass onto our children, and how any of us can survive a broken world with our hearts intact.

# CLEOPATRA AND FRANKENSTEIN

Coco Mellors

New York is slipping from Cleo's grasp. Sure, she's at a different party every other night, but she barely knows anyone. Her student visa is running out, and she doesn't even have money for cigarettes. But then she meets Frank. Twenty years older, Frank's life is full of all the success and excess that Cleo's lacks. He offers her the chance to be happy, the freedom to paint, and the opportunity to apply for a green card. She offers him a life imbued with beauty and art-and, hopefully, a reason to cut back on his drinking. He is everything she needs right now.

# THE MARRIAGE PORTRAIT

Maggie O'Farrell

Florence, the 1560s. Lucrezia, third daughter of Cosimo de' Medici, is free to wander the palazzo at will, wondering at its treasures and observing its clandestine workings. But when her older sister dies on the eve of marriage to Alfonso d'Este, ruler of Ferrara, Modena and Reggio, Lucrezia is thrust unwittingly into the limelight: the duke is quick to request her hand in marriage, and her father to accept on her behalf.

Having barely left girlhood, Lucrezia must now make her way in a troubled court whose customs are opaque and where her arrival is not universally welcomed. Perhaps most mystifying of all is her husband himself, Alfonso. Is he the playful sophisticate she appears before their wedding, the aesthete happiest in the company of artists and musicians, or the ruthless politician before whom even his formidable sisters seem to tremble?

# THE GOLDEN ENCLAVES

Naomi Novik

The one thing you never talk about while you're in the Scholomance is what you'll do when you get out - not even the richest enclaver would tempt fate that way.

But that impossible dream has somehow come true for El and her classmates. And what's more, she didn't even have to become the monstrous dark witch she's prophesised to become to make it happen. Instead of killing enclavers, she saved them, and now the world is safe for all wizards. Peace and harmony have enveloped all the enclaves of the world.
